**RECEIVED**

Honorable Commissioner of Patents and Trademarks  
Washington, DC 20231

MAY 05 2003

Sir:

TECH CENTER 1600/2900

**AMENDMENT**

Applicants are in receipt of the Office Action dated December 24, 2002. Please amend the application as follows.

**IN THE CLAIMS**

Kindly cancel claims 36-40, 56-59, and 61-64, without prejudice or disclaimer.

Kindly amend claim 28 to read as follows:

28. A method for promoting the take of a graft in a mammal in need thereof, the method comprising:

taking the graft from one or more of the group consisting of a suitable donor, a cell culture and a suitable tissue,

administering to said graft a prophylactically effective amount of an active enamel substance, and

placing the graft, pre-treated with the active enamel substance, on a non-mineralized tissue recipient bed or lesion.
